

First Assistant Professional  
Vesper Country Club

Vesper Country Club is a private, member-owned club, edged on the banks of the Merrimack River in the woods of northern Massachusetts - a refined yet inviting atmosphere that sets the standard for private New England clubs. Established in 1875, Vesper is rich in history and tradition, committed to providing a fun and inclusive country club experience for all members, families and their guests. Vesper amenities include an impeccably maintained Donald Ross designed championship golf course, pool, tennis and dining facilities. The club is an active member of the MGA and has been the host for numerous MGA qualifiers and tournaments and will host the 2019 Massachusetts Open.

Vesper Country Club mission statement: To provide an exceptional country club experience, offering a unique island setting with premier golf, tennis, aquatics, dining and social activities for the enjoyment of members, their family, and guests.
