FINANCIAL GRANT APPLICATION

HISTORY AND MISSION

The New England PGA Foundation was incorporated in 2016 with the mission of impacting lives through golf. We are dedicated to positively impacting the lives of veterans, youth and diverse populations. This 501c (3) non-profit arm of the New England Professional Golfers' Association will continually work to promote the game and improve the lives of thousands of children, military veterans and their families, as well as diverse populations through golf each year. Although the NEPGA fosters competition, the New England PGA Charitable Foundation is designed to encourage fellowship, good sportsmanship, continued skill development, honesty, integrity and etiquette. The Foundation will operate under three pillars: Youth, Military and Diversity & Inclusion.

EVALUATION CRITERIA

A committee comprised of members of the Foundation Board of Directors will be assigned to review grant requests. The committee conducts initial reviews and determines if all information required is provided. The committee may meet with an applicant. The committee then determines the benefits of each grant request and makes recommendations to the Board of Directors, which will make the final decision.

Consideration will be given to:

- The degree of potential benefit to the golf community
- Programs that target youth (under 18 years old), military, veterans and their families, as well as diverse populations
- The span of communities the project will reach

The Foundation does not fund endowment campaigns, religious or political activities.

SUBMISSION

The Grant Application deadline for 2017 programs is July 1, 2017. Grant applications may be submitted past the deadline or throughout the year, however, support from the Foundation is not guaranteed. Organizations may also apply for grants in consecutive year. Grand awards will be used solely to run said program and no one individual is to profit from the grant.
