

PGA HOPE – New England is the flagship military program of **PGA REACH**, the charitable foundation of the **New England Section PGA**. **PGA HOPE** introduces golf to all Veterans in order to enhance their mental, social, physical and emotional well-being.

The **New England PGA** and local PGA Professionals are working closely with the VA system to assist Veterans in their transition.

Sessions are provided by local **PGA Professionals** with assistance from trained volunteers and include clubs and equipment if needed, training aids, range balls and weekly golf course access.
