

IMPACTING LIVES THROUGH THE GAME OF GOLF

About PGA REACH New England

Founded in 2016, PGA REACH New England has and will continually work to promote the game and improve the lives of thousands of children, military veterans and their families, as well as diverse populations through golf programs throughout New England each year. Although the NEPGA fosters competition, the New England PGA Charitable Foundation is designed to encourage fellowship, good sportsmanship, continued skill development, honesty, integrity and etiquette.
