

PGA HOPE - New England is the flagship military program of **PGA REACH New England**, the charitable foundation of the **New England PGA**. **PGA HOPE** introduces golf to all Veterans to help enhance their mental, social, physical and emotional well-being.

Our non-profit foundation and local PGA Professionals are working closely with the VA system to assist Veterans in their transition.

Sessions are provided by local **PGA Professionals**, with assistance from trained volunteers and include clubs and equipment if needed, training aids, range balls and weekly golf course access.
