

MARLBOROUGH COUNTY CLUB

1st Assistant Professional

Overview:

Marlborough is a semi-private club with approximately 350 golfing members. The club was originally a 9-hole course opened in 1922 and designed by Wayne Stiles. The current front 9 was added in 1969-70 and designed by Geoffrey Cornish to create the challenging 18 hole lay-out we have today. The course accommodates 25,000 – 30,000 rounds annually and has hosted several outstanding championships. Past champions include Arnold Palmer (Senior PGA Tour 1981), Matt Parziale (Mass Golf Mid-Am 2015) and Rich Berberian (NEPGA Championship 2021).
