

# LAS VEGAS PRO-AM

## Week 2: Deuces Wild

### CASCATA

Soaring 3,200 feet above the Las Vegas desert Valley, Cascata offers a breathtaking backdrop for a golf experience like no other. The par-72 Rees Jones-designed golf course provides stunning vistas at every turn. Towering red mountain peaks contrast lush fairways, accented by lakes, streams, and wildlife. Tour caliber caddies, world-class practice facilities, delicious food and beverage offerings, and personalized service round out the Cascata experience

### RIO SECCO

Built amongst the stunning canyons and plateaus that wind through the Black Mountains of Nevada, Rio Secco invites you to take part in an unforgettable golf experience. The par-72 Rees Jones designed golf course is known as one of the finest courses in Las Vegas – with views of the famed Vegas Strip throughout the round. With Janelas Restaurant for 19th hole delicacies, top tier course conditions, and excellent customer service; Rio Secco has countless surprises in store to help make your experience a memorable one.

### BALI HAI

Designed by Lee Schmidt & Brian Curley in 2000, Bali Hai is a worthy namesake of the famous Indonesian land of enchantment. The par-71 course measures 7,002 yards from the tips and affords spectacular views of the Strip mega-resorts from the fairways. Challenging play, breathtaking scenery and first class facilities make Bali Hai a one-of-a-kind golfer's paradise that Golf Digest named one of the "Top 50 Resort Courses".
