

2019 Financial Grant Information

History & Mission

A committee comprised of members of the Foundation Board of Directors will be assigned to review grant requests. The committee conducts initial reviews and determines if all information required is provided. The committee may meet with an applicant. The committee then determines the benefits of each grant request and makes recommendations to the Board of Directors, which will make the final decision.

Consideration will be given to New England PGA Members based on:

- The degree of potential benefit to the golf community
- Programs that target youth (under 18 years old), military, veterans and their families, as well as diverse populations
- The span of communities the project will reach

The Grant Application deadline for 2019 programs is March 31st. Grant applications may be submitted past the deadline, however, support from the Foundation is not guaranteed. New England PGA Members in good-standing may apply for grants in consecutive years, but may not receive a grant more than two times. Grant awards will be used solely to run said program and no one individual is to profit from the grants.

The Foundation does not fund endowment campaigns, religious or political activities.

Conditions of Acceptance

There are several mandatory criteria any entity, program, or individual accepting a grant from the New England PGA Foundation must agree upon. The NEPGA Foundation is proud to help the golf community grow the sport of golf through its members and associates, but to ensure the future success of the foundation, the below requests by the foundation and its Board of Directors must be met.

Failure to meet any of these requests will result in forfeiture of any and all funds released by the NEPGA Foundation. Should the accepting organization or individual fail to meet the below criteria prior to the end of the season of issuance, the NEPGA Foundation will submit an invoice for the full monetary amount to the accepting party(s).

Media Requirements

- Provide a minimum of 10 high resolution photographs for use promoting the NEPGA Foundation and its programs.
- Provide a minimum of 2 video segments. Segments should be no shorter than 15 seconds and no longer than 30 seconds. Use of a mobile device to provide video is acceptable but the device must be held horizontally for the video to be accepted.
- 2 written testimonials from actual program participants must be submitted upon completion.
- The accepting entity agrees to utilize social media posts on accepted platforms to promote the program.
- The NEPGA Foundation will supply a "Media Release Form". All forms must be submitted to the NEPGA either digitally or physically. Any images or videos submitted without an accompanying release are not acceptable.

Branding Requirements

- The NEGPA Foundation logo should be displayed in conjunction with any and all marketing materials used to promote the program. Phrases like "Supported by" and "Partnering With" are examples of tag lines to be used alongside the foundation logo.
- Should the accepting organization or individual have other supporting partners, the NEPGA Foundation must be made aware of those relationships prior to grant award. Co-branding the Foundation logo with other entities is permitted, but needs to be cleared with NEPGA Foundation representatives to ensure that the NEPGA Foundation image is held in accordance to the standards set by the New England Section PGA, the PGA of America, and the NEPGA Membership.

Reporting Requirements

 The accepting organization or individual agrees to submit a report outlining, but not limited to, the dates and times the program was held, the target audience, the number of regular participants, any local media exposure, a financial breakdown of the program upon completion, and samples of any marketing materials used.
