PRESIDENT'S MESSAGE: Rob Jarvis, PGA

Welcome to our Centennial Year NEPGA Members! I am very excited for the upcoming season and extremely proud that I am a member of one of the founding sections of the PGA of America. I know you share my pride in our Section and this is the year to celebrate! We may currently be in the "off season", but you would never know that by the hustle and bustle at NEPGA Headquarters. Our staff and Board of Directors have been working very hard these last few months to make sure that this centennial year is the most special on record.

A New Home for the NEPGA

I am very pleased to report to you that we have found a new home site. For any of you that visited our previous offices, you would agree the accommodations were less than stellar. Our new headquarters is just up the road from our old building and is much more comfortable for our valued staff. After touring this new location, I am positive that we will be able to increase our efficiency of operation and in turn be able to service our members and apprentices more effectively.

Committees

To say that your NEPGA Committees have hit the ground running would be an understatement. I tasked each committee chair with increasing involvement, communication and service to our membership right from day one. They have not disappointed! Each committee has already held several physical meetings as well as conference call meetings and the results are shaping up nicely. They are engaging, hardworking and committed to offering you better member benefits than you have ever seen. Please visit nepga.com to view the professionals that have volunteered significant time to improve your experience as a NEPGA member. Don't hesitate to drop one of them a line and give thanks for their exceptional efforts.

New Board of Directors Members

This fall we not only elected new officers into the Section, but welcomed several new BOD members. I am not surprised to say, knowing these individuals, that they have been exceptionally active in our first three BOD meetings. Each and every chapter is well represented in the board room. We have had some long, but very productive, meetings and these new members, along with the existing members, are certainly passionate and committed to providing the best experience possible for our NEPGA membership. Please reach out to one of them, or an officer, with any questions or concerns you may have. This is YOUR section.

Planning Session

February is NEPGA Planning Session month. On the 18th and 19th of this month, your NEPGA leadership, along with representatives from each chapter, will descend on Andover Country Club for our two day planning session. We have a lot to accomplish, and therefore have re-titled this as a "doing" session. Some of the topics to be covered are; the final steps in getting the NEPGA Foundation operational, expansion of the junior golf program, NEPGA Exclusive Golfer Development Programs, marketing the PGA Professional more effectively, and a couple of surprises you will just have to attend the Spring Meeting to find out about. Our target is to not only brainstorm new ideas, as is tradition, but leave the planning session with accomplishments rather than just goals.

This is truly shaping up to be an exceptional year for our Section. After these last few months I am even more motivated than the day I took office. Just being in the presence of some of the finest PGA Professionals in our Section, and the country in my opinion, makes me want to push myself even harder to make sure all of our centennial seasons are great. Let this not just be the year of our Section celebration, but let's each and every PGA Professional in New England make this the year of their best selves. None of us can do it alone but together we can accomplish great things in 2016!

Respectfully,

Rob Jarvis, PGA
New England PGA President

EXECUTIVE DIRECTOR'S MESSAGE: Michael Higgins

In 1916 the world found itself in the middle of the Great War, Ireland became its own Republic, Boeing produced their first airplane and the Bavarian Motor Works (BMW) rolled out their first automobile. The

first Wegmans grocery store opened in 1916, the first Nathan's Hotdog barked and the New England Coffee Co. started providing caffeine for early morning tee times in Boston. The National Park Service was formed in 1916, (Smokey the Bear didn't arrive until 1944), the San Diego Zoo opened its gates and Imperial Headwear sold their first hat. Among the firsts of 1916 the Professional Golfers' Association was established that February in New York City, and by April of that year the PGA of America was created via 35 charter members signing the constitution & bylaws. In October 1916 the first PGA Championship was played and the PGA of America was off and running.

In 1916 five Sections comprised the PGA of America and one was your very own New England Section! For the past 100 years New England PGA Professionals have been playing the game, growing the game, and making the game better for rest of us. This year while the PGA of America celebrates their Centennial we will be celebrating the New England Section's Centennial with events all year long!

NEPGA Secretary Allan Belden, PGA kicked off our Centennial Celebration by representing the New England PGA and hitting the very first tee shot at the PGA Merchandise Show Demo Day, and on March 8th the New England Section will be highlighted on the Golf Channel's Morning Drive.

As you read in President Jarvis' letter February is a very active time for the Section. Much of our planning and organizing is done in this month, which helps to make for a successful season. I hope each of you use the month of February to do your preparation and organization for your own operations. I also encourage you to plan on being a little more active in your Section in 2016, as there will be ample opportunities to get involved.

I am thrilled to be a part of the New England PGA during this very exciting time. Be on the lookout for some exciting activities on the horizon. We have some exciting announcements planned as part of our 2016 Centennial Series as well as the growth of your Section.

As always please reach out to your Section leaders or staff if we can ever be of assistance.

Happy Anniversary New England PGA!

Respectfully,

Michael Higgins
New England PGA Executive Director

Dynamic Duo

Seavey & Warren Capture 3rd Winter Pro-Pro

The duo of Shawn Warren, PGA (Falmouth CC) and Jeff Seavey, PGA (Samoset Resort) seem to enjoy each other's company. The two Maine Chapter Professionals have teamed up quite a bit over the past few years, and it seems like every time they do they find themselves in the winner's circle. This was no different at Disney's Magnolia Golf Course, where Seavey and Warren fired a 9-under par 63 to win the Winter Pro-Pro by four shots over 17 other teams.

Their current form is quite impressive, as they are the reigning NEPGA Pro-Pro Stroke Play Champions and had a T-4 finish recently in the PGA Senior-Junior Championship in Port St. Lucie. But they have always performed well in this event, as they have now won it three of the past four years on three different courses with an average score of 9-under in those victories. In 2013 they won by two on the Wanamaker Course at PGA Golf Club, and in 2014 they won by one at Reunion Resort's Watson Course, with their lone non-victory a T-3 finish on Reunion Resort's Palmer Course last year.

Birdies were aplenty on the Magnolia Course, with Seavey and Warren's card featuring 10 birdies to offset one bogey, with five of those birdies coming on par 4's. In total there were 62 birdies made by the 36 players in the field. Second

place finishers John Hickson, PGA (Sebasco Harbor) and Tim Polce from the North Florida Section had six birdies to offset one bogey, good for a five-under par 67. The brotherly duo of Tom and Steve Rourke, PGA (Cummaquid & Lake Nona GC respectively) birdied three of the four par-3's. Dan Benedetti, PGA (Ocean Edge GC) and EJ Altobello, PGA (Tekoa CC) fired 4-under 68 along with the North Kingstown GC duo of John Rainone, PGA and Brian Owens, PGA to finish T-3, each team making five birdies to offset one bogey.

The Winter Pro-Pro has been a staple for NEPGA Professionals since the 90's, a chance to gather with their peers after a busy week at the PGA Show and escape the cold for a little friendly competition. Since the tournament's inception there has been one constant and that is Terry Frechette sponsoring the event along with RJ Shepherd Co. Terry and his wife Carol were on site again this year to cheer on the Professionals, a treat for all of the players after his years of support as a sales rep in New England. RJ Austin, PGA from PTE Golf was also on site, and the PGA TOUR supplemented the purse. Thank you to all of our tournament partners and Disney Resort for hosting us!

Jarvis Named Head Golf Professional at Bangor Municipal

Photo provided by Gabor Degre | BDN

NEPGA President Rob Jarvis has filled the position of head golf professional at Bangor Municipal Golf Course which was vacated after Brian Enman, PGA retired this month. Enman served as head professional at Bangor Municipal for 21 years.

From Bangor Daily News: "It's certainly exciting," said the 39-year-old Jarvis. "It has been a career goal of mine since I was a young man growing up and working at the course.

"I'll be the third pro at Muni, and it's neat that the three of us, Austin Kelly, Brian and myself, got to work together for one year in 1994," said Jarvis.

Bickford Featured at PGA Youth & Family Golf Summit

Brian Bickford, of Val Halla Golf Course in Cumberland Center, MA, was recently selected to speak at the PGA of America's Youth & Family Summit held in Orlando, Florida. The 2-day event was designed to provide a platform for the discussion and exploration of initiatives necessary to engage new young golfers. Bickford was part of the PGA Junior Golf Camp panel which presented strategies that have been proven effective in building and retaining juniors as well as ways to make golf more fun for this growing segment of the game. Other presenters included representatives from US Kids, The First Tee, and several other notable golf industry leaders.

"I was really honored to be invited to participate in this event," said Bickford. "The PGA of America has been making huge strides in its efforts to engage and retain young golfers who of course, are the future of our game. Here on a local level and within our community, we too have been finding new and innovative ways to attract and engage kids to learn the game of golf. One of our most widely accepted initiatives has been bringing the PGA Junior Golf Camps to Val Halla."

The PGA Junior Golf Camps are open to boys and girls between the ages of 6-17 and of all ability levels. Half day and full day camps will be available at Val Halla this summer and the organization's new Elite Golfer Overnight Camps will be available at select locations including Whistling Straits in Kohler, WI and Silverado Resort & Spa in Napa Valley, CA. All programs are led by PGA Members.

Photo provided by The PGA of America

Each camp's curriculum guarantees skill development in the game's fundamental areas including full swing, putting and chipping. Additionally, the camp also places emphasis on the development of "life skills" such as good sportsmanship, and embodying personal integrity both on and off the course.

Camp pricing starts at \$125 and sibling and small group incentives are available. For additional information or to register for summer camps, visit www.pgajuniorgolfcamps.com or call 888.PGA.PLAY (888.742.7529).

NEPGA Through the Years

In anticipation of the publishing of "The First 100 Years of the New England PGA, 1916-2016," we will feature a series of short vignettes looking back on the Section's unique history in our monthly news magazine.

Paul Harney and Bill Flynn: The Perfect Leadership Team

Their joining forces to lead the New England PGA for six progressive years was, one might say, the perfect storm. Paul Harney, the former PGA Tour standout who had observed from a safe distance for six years, as head professional at Pleasant Valley Country Club in Sutton, the way things were run in the section. And Bill Flynn, the self-taught career club professional from Thomson CC in North Reading who seemed to always be using the present to look ahead to the future.

Both born of working class parents, Harney in Worcester, Flynn, in Danvers, Mass., they became attracted to the game of golf through caddying and realized at an early age they wanted to make golf their career. Those careers, though taking different paths, crossed when progressive members asked Harney if he would consider running for NEPGA president against incumbent John Boda, Sr.

"Outsider" Harney, 41 ran, ably supported by "insider" Flynn, 34, and the rest is pivotal history to the future of the New England PGA. The prior regimes, Tom Mahan, Sr.-Eugene "Skip" Wogan and John Boda-Les Dunn, had served the Section admirably spanning thirty-plus years. But the majority membership saw this as a rare opportunity for fresh, innovative blood atop the leadership chair in the form of Harney-Flynn and they grabbed it in the fall of 1970 annual election.

Harney-Flynn's No. 1 priority upon being elected, as they had notified the membership prior to the election, was the hiring of a fulltime executive director, who became George Wemyss. Over the next six years, through and with Wemyss, they upgraded every facet of the Section, from tournaments, to member education to junior programs to job enhancements.

"Bill will be the first to admit, with me, that we were more figureheads than anything when we became the lead officers," Harney said years later. "George made everything – and I do mean everything – happen in a positive way for the Section; from tournaments to administration to improving virtually every aspect of professional life for the PGA club pro."

In effect, they improved the image and efficiency of the New England PGA Section – and administration -- tenfold. Moreover, Flynn's ownership of two courses, Lakeview and Far Corner, both on Boston's North Shore, gave him an added perspective on golf course management. That expertise led to Flynn's establishing a working relationship with the Massachusetts Golf Association (MGA) in which his management company resurrected two failing City of Boston-owned courses, William J. Devine (Franklin Park) in Dorchester and George Wright GC in Hyde Park. At the same time he provided free junior golf programs at all his sites.

Harney, too, was a golf course owner who promoted the game vigorously, like Flynn, in his case through Paul Harney Golf Course in Falmouth. The pair also left yet another extraordinary legacy to the game – their offspring. Three of Flynn's children serve as head professionals and general managers of his three courses (Michael at Lakeview, Bob at Far Corner and Joanne at Windham in New Hampshire).

Harney, a seven-time winner on the PGA Tour, and Flynn were recognized for their contributions to the game and the PGA on several occasions. Both were NEPGA Professionals of the Year. Paul was National PGA Professional of the Year in 1974 and was elected into the PGA Golf Professional Hall of Fame in 2005. Flynn is a two-time NEPGA Professional of the Year (1976, 1982). Both are members of the NEPGA Hall of Fame.

GET STARTED NOW

Deadline to Earn MSRs for completing the survey is March 31, 2016.

The PGA Compensation Survey is Now Available

The 2016 PGA Golf Professional Compensation Survey is now available for members to complete. This survey provides key information to assist with performance evaluations, contract renewals, staff budgeting and other employer/employee interactions. Thus allowing PGA Professionals and their employers to know where they stand on the compensation scale in comparison with other Professionals. Your participation is the key to ensuring that our Section's compensation information is valid and meaningful.

In an effort to continuously improve the survey experience, the PGA has streamlined many areas in hopes to direct you to only answer questions that are relevant to your position.

As a reminder, all survey responses are treated confidentially with results being reported only if there are five or more responses.

PGA members who complete the survey by March 31, 2016, can receive up to two (2) Member Service Requirement (MSR) credits. MSR credit is now automatically applied with submission of this survey.

MAINE CHAPTER NEWS

Submitted by Maine Chapter President Jason Hurd, PGA

I hope this article finds you all well and enjoying the winter months. Spring is just around the corner, says that groundhog! We will be playing golf in Maine sooner than you think. With that said, please mark your calendars and plan on participating in a few more events throughout the season. If we all play one or two more events than we did in 2015, the Chapter members will benefit with stronger tournament participation. Some of the Maine Chapter Members are enjoying some success playing this winter. Jeff Seavey (Samoset Resort) and Shawn Warren (Falmouth) teamed up to fire a 9 under par 63, good enough for a 4 shot victory over John Hickson (Sebasco Harbor) and his partner Tim Polce. It was the 3rd time in four years that the team has finished atop the leader board in this event held at Port St. Lucie. A few weeks earlier the two teamed up to have a great showing in the PGA Senior-Junior Championship. Firing rounds of 67, 62, 66 (21 under par), good for a tie for 4th place finish. Great Playing!!!

MASSACHUSETTS CHAPTER NEWS

Submitted by Mark Aldrich, PGA, MA Chapter President

The centennial year is here for the PGA of America and the New England Section and obviously as members of the Massachusetts Chapter we are excited to be a part of it. The Massachusetts PGA Chapter has continued its efforts to make it one of the more unique chapters in the section. We have worked hard this off season to develop a competitive tournament schedule with many great sites, along with a player of the year point system based on Massachusetts Chapter events and select Section events.

We hope to be in league with Coaches for Cancer and giving our Massachusetts golf professionals an opportunity to make a difference in people's lives. Please do not forget about the National Golf Expo (Boston) this is another way to gain exposure for the Massachusetts PGA Professional and a way to give back, so if you have the time please contact the Section office and sign up to volunteer.

As a Chapter we are always looking for ways to make it better so if you have an idea please get in contact with either me, Chris Young or Lou Rivers so we can discuss the idea and see if it is a viable opportunity.

Please visit our Chapter page on the Section web site to view our tournament schedule.

I would like to acknowledge Jacy for his outstanding efforts this off season with his tireless efforts to make our Chapter better for all. This is going to be an exciting year with many opportunities to celebrate the centennial and we should all look forward to being a part of this great history.
