

MARCH 2011 NEWSLETTER

MESSAGE FROM NEPGA PRESIDENT STEVE DEMMER

The end of winter is in sight! I hope everyone has had time to get their batteries recharged for what looks like a strong season in 2011. Now is the time to check our schedules and plan our tournament participation for the upcoming season. Tournaments are the major part of the NEPGA and most of our financials revolve around the success and bottom line of these events. Over the last few years our section tournament participation has declined to the extent that it has really started to affect the overall budget. I believe that a part of your responsibility as an apprentice or member of The PGA of America is to get out and play in section events whenever possible. I'm not asking you to play in every event but you need to play as that is what our association was founded upon almost 100 years ago. It is your participation in all section activities that is vital to the section's overall success.

One area that we as PGA Professionals have a lot of influence in is the future of our junior golfers. I strongly encourage that all juniors who are involved in your programs be exposed to the NEPGA Junior Tour. Please provide all your juniors with information about our junior tour that can be found on the www.nepgajuniortour.com. With all the playing opportunities available to juniors, they all should be part of the NEPGA program which in turn supports all section members.

Mike Higgins, our newly appointed Executive Director is off to a strong start in his first 45 days. Mike is taking on all the challenges of the job with enthusiasm and an untiring work ethic. As the staff changes with the addition of a new Tournament Director, I ask for everyone's patience as we work through the challenges of new staff training over the next few months. Every effort is being made to make the transition seamless but we know we will need the membership's support of all section staff to make 2011 successful. I have the utmost confidence in all of our staff and I hope you will support them whenever possible.

I look forward to see everyone at the spring membership meeting at Andover CC on April 12, 2011.

Thank you,

Steve Demmer, PGA
President NEPGA

NEPGA HIRES TOURNAMENT DIRECTOR

The New England PGA is pleased to announce the hiring of Dave McAdams as the Section's new Tournament Director. Dave comes to the New England PGA from the Francis Ouimet Scholarship Fund where he served as Assistant Director of Club Relations and Events over the past 3 years.

His involvement with the game of golf started at the early age of 12 when he went to work for PGA Professional Tom Moffatt at Framingham Country Club. McAdams worked at the FCC for 13 seasons in various areas of the golf operation ranging from caddie to Assistant Golf Professional. During the 2004-2006 seasons Dave interned with the New England PGA as a Junior Tour Intern and he worked directly with Mike Higgins as the Tournament Operations Intern for the Section.

Dave earned both his undergraduate and graduate degrees in Sport Administration from the Southern New Hampshire University. "I am thrilled to come back to the organization that helped grow my passion for golf administration, and I plan to continue and enhance the rich tradition that the New England Section has established," said McAdams. He lives in Framingham, MA with his wife Katelyn and will officially assume his duties at Tournament Director on February 28.

Please welcome Dave to our NEPGA family! He can be reached at DMcAdams@pgahq.com.

METHODIST UNIV. SCHOLARSHIP

The New England Section is pleased to announce that one college bound high school senior from our Section is eligible for a \$20,000 scholarship to Methodist University located in Fayetteville, NC. This award is a \$5,000 per year discount on the tuition at Methodist and is being offered to all 41 Sections of the PGA. In order to select this individual we will need your nominations to aid us in identifying one qualified individual from our Section. Criteria for the scholarship:

- Recipient must gain eligible acceptance to Methodist University prior to May 1, 2011.
- Recipient must have permanent residence within the Section that he/she receives the scholarship.
- This scholarship is for 1st year students only. No current Methodist University students are eligible.
- Recipient should display good citizenship and integrity within their personal lives.
- Recipients must maintain a cumulative GPA of 3.0 at Methodist University to be eligible for renewal. The scholarship will renew at the beginning of each academic year (not to exceed 4 years) so long as the recipient is enrolled full-time in the Methodist University undergraduate day program.
- In order for the recipient to receive this scholarship, he/she must have a minimum high school GPA of 3.1 and an SAT score of 1000 or higher (ACT equivalent 22) as determined by Methodist University.

If you would like to nominate a student, please email Joan Stuart at jstuart@pgahq.com and include your contact information as well as the name of the student and his/her contact information. Please title your email "Methodist University Scholarship Nomination." Limit your nominations to no more than one individual. Further information will be requested from the nominees once the nomination forms have been received by the Section office.

Let us do our part to ensure that our Section is represented this year at Methodist University.

CHAPTER & ASSOCIATION NEWS

ASSISTANTS' ASSOCIATION

Before we look into the 2011 Season, I would like to personally thank and express thanks on behalf of the NEAA Board and all of its members to Brian Smith, PGA on his term of President this past year. The 2010 season was such a great success due to several factors. First, the New England Assistants' Association grew to new heights with 116 members, the most in recent memory. Secondly, the tournaments featured increased participation and several new formats. Finally, the NEAA paid out the highest % of entry fees collected in recent memory, 91%. What a great year!

The New England Assistants' Association Board has been busy the past few months creating several new and exciting initiatives. The newest member of the Board is Scott Reilly, PGA. Scott is currently an Assistant Golf Professional at The Country Club. Scott is serving as the Officer at Large on our board. Scott was elected to position at the Fall Meeting at Kernwood Country Club. Welcome aboard Scott!

The 2011 season will continue to build on the successes of 2010. We hope everyone that was a member will join the Association again this year. Currently, we are tightening up the tournament schedule and hopefully bringing back the Ryder Cup from years past. The Ben Boyd Pro-Am and The Event Man Fall Classic will both be back in this year's schedule. Along with the schedule, a new website for the Association is being built to provide a central location of information and accommodate our growing membership needs. Finally, the introduction of the Apprentice Education Award rounds out the list. The details of all these will be announced in the next few weeks. I hope everyone continues to have a great winter season and if you are traveling back, be safe. We'll see everyone in the spring.

VERMONT CHAPTER

Although we are buried in snow, like most of the Section, golf was still on our the minds of our Chapter members as a strong contingent descended on Orlando for the PGA Merchandising Show. As most of our Chapter sales reps and sponsors were present with their companies, our members found lots of activity both at the Demo Day and with our friends at their booths. For the days prior to and after the show, twelve members of the Chapter gathered for a few rounds of golf. Kudos go to Steve Gonsalves, PGA, Links at Lang Farm, for coordinating our visits to World Woods, Orange County National, Legends at Orange Lake, and Disney's Bonnett Creek. A great time was had by all.

Back on the home front, we have the great pleasure of announcing our Vermont First Tee School Program Director, Richard Mihalrad, win a very prestigious NSP award for 2010. A devoted, tireless worker in the School Program, Richard was the recipient of one of only three national awards. Richard, with the help of our Chapter leaders and members, has taken the First Tee School Program from ground zero to nearly 70 elementary schools in a few short years. The Vermont Chapter is proud of this accomplishment.

Special congratulations to Brian Gara, PGA, Vermont National CC, and his wife Melissa on the birth of their first daughter, Camille Roxy Gara, 6 lbs. 5 oz. this past January 17th. All are doing well!!

PLAYING BY THE RULES

Holiday Edition Continued...

Hole #6: Par 3

Santa Plays his tee shot onto the putting green. "Are you kidding me, Santa!" Elf Ron says. "It was my honor; I made 3 on the last hole." He realizes as he says it the possibility of receiving the Rolex just took a big hit, but, too late. "I'm sorry Elf Ron, what should I do?" says Santa. "Oh it's alright, I don't care, I'll just play my shot and we can get going, I think it's going to start snowing any minute," Elf R says. "But is there a penalty for playing out of turn?" asks Santa. "I really don't think there is, I just played a second ball back on #2 to be safe" Elf R says. Santa decides better safe than sorry and plays a second ball under Rule 3-3. He does not declare which ball he wishes to count. He scores a 3 with his first ball and a 2 with his second ball. Elf Ron hits his tee shot over the green, stubs his next shot short of the green, chips his third onto the green and 2 putts from there.

Hole #7: Par 4

Santa hits a tee shot down the left side of the hole, where there is a hazard defined with red stakes. Elf Ron hits a tee shot down the right side and into the rough. Santa finds his ball; it lies outside the water hazard but one of the red stakes is so close to his ball he cannot hit the ball without hitting the stake. He declares his ball unplayable, drops it in the hazard within 1 club-length of where it originally lay and plays his next shot toward the green. Elf Ron kicks his ball while searching for it and it rolls about 2 feet away. Elf Ron picks up his ball and then drops it as near as possible to where it was before he kicked it. He plays his next shot onto the green.

Santa is searching for his ball near the green, Elf Ron starts to help him and after three minutes Santa says, "I think it's lost, I'm going back to hit another." Santa starts to walk back to where he played his last shot from; as he does Elf Ron kicks a ball in the long grass. "Wait, I think I have your ball, I just kicked it" Elf Ron yells. It takes Santa 2 minutes to walk back to identify the ball as his. Santa picks up his ball, cleans it, and drops it, as near as possible to where it lay before Elf Ron kicked it. Santa chips his ball onto the green and takes 2 putts from there. Elf Ron takes 2 putts to complete play of the hole.

Hole #8: Par 4

Elf Ron and Santa both play tee shots right down the middle of the fairway. Elf Ron's ball comes to rest in a large area of Ground Under Repair. Santa's ball lies just outside the same area of GUR. But when Santa takes his stance his feet are in the GUR. "Do I get any relief here?" Santa asks. "Absolutely!" Elf Ron says, maybe there still is a chance of finding that Rolex under the tree he thinks. Using his 7 iron, the club he would most likely play his next shot with, Elf Ron finds his nearest point of relief outside of the area of GUR that is not closer to the hole than where his ball was originally at rest. He uses his driver to measure 2 club-lengths from that point. He picks up his ball,

cleans it and drops it within the 2 club-length area. It rolls almost 2 club-lengths from there. He plays his next shot with an 8 iron onto the putting green and 2 putts from there.

Santa determines his relief point correctly, drops his ball and it embeds. "Now what do I do?" he says. Elf Ron can see that Rolex on his wrist, "You can take relief for an embedded ball" he says. "Really? Are you sure?" Santa says. "Absolutely!" Elf Ron says. Santa lifts his, ball cleans it, drops it as near as possible to where it had been embedded and plays his next shot onto the green and one putts from there.

Hole #9: Par 5

Elf Ron is a better weather forecaster than golfer, it was starting to snow. (It is North Pole CC after all.) Santa, pumped up after his birdie on #8, hits his tee shot long and straight down the middle of the fairway. Elf Ron distracted by the thought of a new Rolex under the tree hooks his tee shot deep into the trees left of the fairway. Elf Ron finds his ball about twenty yards inside the tree line. He tries to play a low shot out to the fairway but his ball strikes a tree, ricochets backwards and is deflected by his golf bag. He plays his next stroke onto the fairway.

Santa sees the snow starting to pile up. He marks, lifts and replaces his original white ball with a yellow ball. He hits his next shot onto the green. Elf Ron plays his shot from the fairway into a bunker next to the green. When he gets to his ball it is lying in an accumulation of snow. He lifts his ball and drops it at a spot in the bunker that is not nearer the hole and that affords him maximum available relief from the snow. Elf Ron plays his bunker shot into the hole. Santa uses a towel to brush away snow on his line of putt; he holes out in 2 putts.

Last round of 2010 over and done, or is it? Not quite. First, Santa (Hole #6) & Elf Ron (Hole #2) need to report to the Committee (You) that they invoked Rule 3-3 and played a second ball on their respective holes. After you give them your decision on which ball will count they will sign and attest their scorecards and return them to you. See if the scores they have on their cards are the same as you came up with.

We'll have the scores and the reasons why next month.

See you next month,

Greenie
