## **Overview**

The Ridge Club is located in Sandwich, Massachusetts, the oldest town on Cape Cod. The spirit of tradition and laying down of strong roots has reinforced the success the club has had since established in 1989. The Robert Von Hagge golf course design is highlighted by beautiful fescue covered mounding, elevation change and the signature 17th hole island green. The course provides a consistent and exceptional experience for golfers of all abilities as it weaves through its gated community. The club has 360 members including 240 golfing members that play approximately 16,000 rounds annually. The majority of those rounds are in the Summer months.
