100th NEPGA Section Championship
Myopia Hunt Club | Tedesco Country Club
August 17-19, 2020

Dear Fellow NEPGA Professionals,

PRESENTED BY

On behalf of the Myopia Hunt Club membership, I would like to extend a warm welcome to you. We are honored to be hosting the 100th NEPGA Championship after hosting the inaugural event a century ago.

Myopia Hunt Club was founded in 1875; the current layout being designed by Herbert Corey Leeds in 1894. The original course was only nine holes when Myopia hosted its first of four U.S. Opens in 1898. When the Open returned to Myopia in 1901 the current 18 holes had been completed. Myopia was known as the Alcatraz of the US Opens as it holds the honor of the three highest winning scores ever recorded in the U.S. Open. The current club house at Myopia was originally a farmhouse that was raised in 1774 by Col. Robert Dodge, who would go on to fight in the American Revolution.

The golf course remains the same today as it did nearly 120 years ago. Gil Hanse has been brought on in recent years to help restore the golf course to its original look. With his guidance we have undergone a tree removal program to restore the picturesque view corridors throughout the course. The length of the golf remains unchanged at 6,555 yards from the back tees. However, with its 120 strategically located bunkers, high fescue that borders narrow fairways, and sloping undulated greens, Myopia remains a testament to why length is not a necessity for difficulty.

We hope that you find Myopia Hunt Club as unique and special as we do, and that you enjoy your time here. If there is anything you need, please do not hesitate to contact me or a member of the golf staff. Good luck to all and enjoy your time at Myopia!

Sincerely,

Michael Bemis

Dear NEPGA Professionals,

It is an honor and a privilege to be co-hosting the 100th New England PGA Section Championship alongside Myopia Hunt Club. The Tedesco Country Club Board of Governors, Golf Committee, Membership and Staff are beyond delighted to be part of such a historic event.

Tedesco Country Club was originally designed by Skip Wogan and members in the early 1900's, and has gone through a number of layout and design changes over its 100-plus years of existence. The most recent being a \$1.6M renovation of all the bunkers and several green expansions. The course meanders through Swampscott and Marblehead, across Salem Street, and features two distinctly different sides. From the back tees Tedesco plays just over 6,500 yards to a par of 70. Despite a moderate yardage compared to today's modern courses, Tedesco's greens have teeth and can be treacherous with certain hole locations. Over the years Tedesco has hosted numerous majors such as the Massachusetts Open, the Massachusetts Amateur and Senior Amateur, as well as many Massachusetts Golf Association qualifiers.

We are thrilled to be co-hosting our New England Professional Golf Association peers and guests for this historic event. During your time on property our goal is to provide you a pleasurable experience, so please don't hesitate to ask any of our staff for assistance.

Best of luck and play well,

Jake Leech, PGA
Head Golf Professional

Dear New England PGA Professional,

PRESENTED BY

SUPPORTED BY

Thank you for participating in the 2020 New England PGA Championship. This will be the 100th playing of our Section's major championship and we are going back to where it all began. The Championship will once again feature one of the strongest and largest PGA Professional fields in the country. With over 200 registrations, the competition will be fierce and each player looking to punch their ticket to the 2021 PGA Professional Championship will first have to go through Marblehead & South Hamilton, MA to get there.

It has been 100 years since the championship has been at Myopia and this will be Tedesco's first time hosting. We could not ask for two more gracious host facilities and I want to extend a special thank you to our host PGA Professionals Mike Bemis, PGA and Jake Leech, PGA, and the members of each club for opening their doors to our premier championship.

The last time Myopia hosted the championship it was a 36-hole event that was conducted in October. Gil Nichols was victorious by one shot with a two-round total 156, and he went home with \$100 for his win. A lot sure has changed since 1921, but I can guarantee we are going to see three days of great golf and history will once again be made.

The NEPGA Championship serves as a qualifier for the PGA Professional Championship next April, and from there 20 PGA Professionals will move on to the PGA Championship in May. The New England Section already has two NEPGA Professionals exempt into the 2021 PGA Professional Championship, and 11 more will be looking to join them with their play here in New England.

The NEPGA Championship is sure to feature exciting coverage via our website and social media accounts. Be sure to tune in and share the great content our communications staff churns out during the championship.

On behalf of the entire staff of the New England PGA, play well and enjoy the 100th edition of the New England PGA Championship!

CHAMPIONSHIP HISTORY

PRESENTED BY

SUPPORTED BY

The New England PGA Championship has been in existence since 1921, five years after the PGA of America and the New England Section were founded. This event has been uninterrupted and played concurrently alongside the history and evolution of the game and business of golf. While golf's oldest championships have been postponed by war, and now global pandemics, the New England PGA Championship can proudly say it has crowned a champion every year since 1921 and will do so for the 100th time in 2020.

Over those 99 editions, there have been 63 different champions to capture the Mahan Trophy, with 22 winning the event multiple times. Tedesco joins Myopia Hunt Club in 2020, meaning the Championship will have been hosted or co-hosted at 60 different courses throughout New England, giving the Championship a very unique history, and a big reason why there have been so many different winners throughout the years.

The list of winners is a who's who of the best players in New England PGA history. Names from the past such as Lester Kennedy, Tex McReynolds, Bob Crowley, Charlie Volpone, Joe Carr, Tony Morosco and Dana Quigley give a glimpse of the great history of the section. Present names such as Kirk Hanefeld, Chip Johnson, Ron Philo, Troy Pare, Frank Dully, Paul Parajeckas, John Hickson and Eddie Kirby litter the brass plating around the Tom Mahan, Sr. Trophy. Not to be outdone, leaders of the new generation such as defending Champion and three-time Wogan Player of the Year Shawn Warren and three-time Champion and two-time PGA of America Player of the Year Rich Berberian, Jr., give a strong indication that the talent is still strong and will be for many years to come.

This year presents a historic opportunity for a New England PGA Professional to etch their name alongside the great winners throughout the history of the Championship.

Good Luck!

THE MAHAN CLUB

PRESENTED BY

While the Mahan Club is newly established, the members tout 99 years of experience in winning the most coveted prize in New England Professional Golf. The Club is named for Thomas Mahan, Sr., who was President of the NEPGA for over 19 years, as well as Vice President of the PGA of America in the 1960's. The NEPGA Championship trophy is named in his honor, and is now awarded to the winner annually.

To mark the 100th playing of this prestigious Championship, an honorary tee shot featuring some past winners will be held on Monday at Myopia Hunt Club prior to the first tee time. While they may no longer be competing in the event, their contributions to the history are paramount and will be recognized.

SUPPORTED BY

Last year, Shawn Warren from Falmouth Country Club in Maine became the 22nd NEPGA Professional to win multiple NEPGA Championships. Contested on a classic Donald Ross layout in Manchester Country Club, Warren battled Vermont Professional David Bennett to the end making clutch putts on his final three holes including a 30-foot birdie at the last to win by one stroke. Warren would go on to compete in his second PGA Championship at TPC Harding Park in San Francisco a year to the day from his 2019 victory. With a strong legacy behind the Mahan Trophy, a line of past champions and new challengers await as Warren looks to defend his title and join an even more exclusive list of three time Champions.

CADDIE INFORMATION AND REGULATIONS

PRESENTED BY

SUPPORTED BY

The following practices and policies are in effect for the NEPGA Section Championship.

REGULATIONS

Caddies shall not walk on greens when checking hole locations before play, nor shall they interfere with play during practice or tournament rounds.

Caddies are only allowed on the practice putting greens to retrieve chip shots or long putts. This may only be done provided the putting green is not crowded.

Players are welcomed to walk and use caddies, so long as it does not slow the pace of play. Players choosing to ride may only have one person ride in the golf car during the round, and that person will be considered their caddie.

Caddies are not allowed in player dining. Caddies are permitted to purchase food and drink at the course for \$25.

CADDIE APPEARANCE

Caddies may wear shorts. If shorts are worn, they are to be hemmed and not more than 2” above knee length. The shorts are expected to be professional looking in appearance.

Caddies must wear smooth, rubber soled shoes. No golf spikes of any kind will be permitted.

All caddies will be required to present a neat appearance, appropriate to a professional golf tournament in both clothing and grooming.

CONDUCT

Failure of any caddie to conform to the above shall result in his/her immediate removal from Club property.

Contestants shall be responsible for the conduct and behavior of their caddies.

PLAYOFF PROCEDURES

In the event of a tie for the Championship, there will be a Hole-by-Hole playoff immediately following completion of play. The playoff will commence on hole 18, and if necessary hole 18 will be repeated until a Champion is determined.

In the event of a tie for National PPC Qualifying spots, there will be a Hole-by-Hole playoff immediately following completion of play. The playoff will commence on an available area of the golf course, and will continue until all qualifying spots are determined.

STARTING TEES and SCORING AREA

GENERAL

The roped area of each 1st tee defines the teeing area.

STARTING TEE(S)

For the purposes of applying Rule 5.3a (late to the tee), a player is considered to be “on the tee” when he or she is within the roped area surrounding the tee box.

SCORING AREA

A player has left the scoring area when he or she has departed the scoring area and has crossed the roped area defining the scoring area. A competitor is considered to have returned his or her scorecard when he or she has first left the scoring area.

SUSPENSION OF PLAY

PRESENTED BY

SUPPORTED BY

SUSPENSION OF PLAY FOR A DANGEROUS SITUATION: When play is suspended for a dangerous situation, if the players in a group are between play of two holes, they shall not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, **they must discontinue play immediately** and shall not thereafter resume play until the Committee has ordered a resumption of play.

All practice areas shall be closed during suspension for a dangerous situation until the Committee has declared them open for use.

Note: A suspension for a dangerous situation shall be signaled by one prolonged siren or horn blast. All other types of suspension shall be signaled by three intermittent siren or horn blasts. Resumption of play will be signaled by two intermittent siren or horn blasts.

PENALTY FOR BREACH OF THIS LOCAL RULE: **DISQUALIFICATION**

All players must return to the clubhouse for a dangerous situation suspension.
