

PGA

New England Section

Vermont Chapter

David Jankowski responded to his opening hole double bogey six by rattling off 7 birdies over his final 17 holes to finish in a tie for first place (-2 70) with the CC of Vermont host professional David Bennett. David Bennett was sitting at four under par on the 18th tee before finishing with a disastrous double bogey of his own. Kevin Bennison used an eagle on the par five 15th hole to propel himself into third place finishing with at two over 74. Cameron White and Reece Delaire both tied for fourth finishing with scores of 76.

The three teams from Burlington CC took first, second, and third in the team event (1 gross + 1 net). Dave Jankowski's team won the event posting an incredible 14 under 130. Kevin Bennison's team came in second posting an impressive 12 under 132 and Brennan Earls team finished up the Burlington CC domination posting a nine under 135. The Vermont Chapter returns to action following the NEPGA Section championship at Vermont National CC on Monday August 24th. Please note this event is traditionally a 36 hole shotgun event however it is likely it that it will become a double tee 36 hole event. A special thanks goes out to the CC of Vermont for hosting the event. Thank You! Full results can be found at <https://nepga.bluegolf.com/bluegolf/nepga20/event/nepga20134/contest/1/leaderboard.htm>
