Dorset Field Club Pro Am

August 31, 2020

The Dorset Field Club team led by Patrick Berry posted an incredible 16 under par 124 to win the 2020 Dorset Field club pro am (one gross plus one net format). The Burlington CC team led by David Jankowski came in second place finishing at a very solid 12 under par (a score usually good enough to win). Rounding out the top three was also a Burlington CC team (this time led by Brennan Earls) and they finished up at 10 under par. David Jankowski (Burlington CC) won the professional division posting an eye opening 64 beating David Bennett (CC of Vermont) by three shots. Kevin Bennison ended up third in the professional division posting a one under 69.

A special thanks goes out to Michael Behan from W&B Golf Carts and Mike Perrault from Callaway golf for sponsoring the event. Without you the day would not nearly have been as successful as it was. Thank You! The chapter would also like to than Dorset Field Club for hosting the event. The conditions of the course and the staff were exceptional.
