

Assistant Job Posting

Course History:

Derryfield is a busy semi-private course owned by the City of Manchester. We have a membership consisting of 540 members and do about 40,000 rounds a year. Our membership consists of many low handicaps and state champions. The golf operations are owned and operated by the PGA Head Professional and the assistant will be employed by them.

Job Description:

The Assistant Professional will assist the Head Professional in running all activities related to golf operations. Derryfield CC is one of the busiest clubs in the state and has one of the best tournament schedules. Our members are very active and loyal to the club. The assistant's primary duty will be the running of the tournaments and leagues. This is a great opportunity for someone who wants to learn what it takes to be a head professional.
