

NEAA Ben Boyd Cup - Player of the Year Award

The NEAA Ben Boyd Cup is the Player of The Year Award presented annually to an eligible Assistants' Association professional accumulating the highest point total based on individual performance in eligible events. Points distributed at 18 hole stroke play events will be based on the number of professionals and/or teams in the field. Point values will be split between team members in team events. There will be a cash pool distributed to the top 3 players on the points list. Points towards the POY award will be allocated as follows:
